

Welcome to Dogdean

Welcome to **Dogdean** a network of fabulous fields and a great place for people to explore and wildlife to flourish. The fields are an important habitat for plants and insects. Surrounding old hedgerows and mature trees provide a shelter for animals and us from the worst of the elements.

The paths, benches, fencing and signage have been designed to make it a really great place to enjoy the outdoors and our important wildlife.

Walking routes

Red walk = 2.06km

Blue walk = 0.75km

Distances are approximate.
